### Rev. Dr. Bartholomew's

Pink Expectorant Syrup.

An agreeable Cordial, and Effective Remedy for

COUGHS, HOARSENESS, COLDS, PAIN

IN THE BREAST, INFLUENZA, HARD

BREATHING, and DIFFICULT EXPEC-

TORATION.

For Adults and Children in cold climates and warm.

It has remained to a late day to discover an

article so admirably fitted to these complaints; so

powerful and effectual, and yet so perfectly inno-

cent and mild.

Let not the public class the scientific result of

a learned Physician and Divine with the nos-

trums of the day. Let them make a careful per-

usal of the evidences attending this article; their

respectability, and the decided manner in which

they speak, and they cannot withhold their belief

to some of its virtues. Let us assure them that a

single trial of it will do more to convince all of

its merits than all they can see or hear on the

subject. It is quite certain that no injury has

ever been known to arise from its free use.

AN UNCOMMON fact is, that this remedy is a

syrup, as palatable and pleasant to the taste as

the most popular French cordials, and children

take it always with the greatest readiness.

For sale at the Drug and Book store of Dr. Wm.

R. Snelson, Fayette. Also, at the Drug store of

Dr. A. R. Ober, Glasgow.

March 1st, 1845.

[From the Western Citizen, Chicago.]

(67) READ! READ!—To the citizens of Chicago,

but to the ladies in particular. In former days

the proprietor, (whether in the shape of medicine

or otherwise) was duly respected, and we think

that some of that old-fashioned purity still exists;

and our benevolence extends thus far, that we do

not charge any community with dishonesty and

ingratitude, save those who have tried to palm on

an unsuspecting public various hair tonics, call-

ing them genuine, &c. Fellow-citizens, there is

but one genuine hair tonic, and if you wish a

rich, luxuriant head of hair, do not fail to pro-

cur the "Balm of Columbia" has restored the

hair to virgin perfection upon those who have

been bald for years. Age, state or condition ap-

pears to be no obstacle whatever. It stimulates

the cutaneous vessels, causing the fluid to flow,

and tens of thousands, may more, whose heads

are grey as the badge of the prairie, have had

their hair restored to its natural color, by the use

of this first, best hair tonic, upon which you may

explicitly depend. In conclusion, do not be put

off with any other article. Enquire for Oldridges

balm of Columbia, manufactured by Comstock &

Co. All others are spurious counterfeits and ut-

terly worthless.

For sale at the Drug and Book store of Dr. Wm.

R. Snelson, Fayette. Also, at the Drug store of

Dr. A. R. Ober, Glasgow.
